

DAY 1

What's happening and what's possible

September 9

11:00 am – 3:30 pm (EDT)

Time (EDT)	Session	Speakers
11:00 am -11:10 am	Day 1 Welcome	Host: Joab Wako
11:10 am -12:00 pm	Global voices, local impact: patient engagement in research around the world A discussion that includes speakers from different parts of the world sharing insights about the 'state of patient engagement in research,' where they are, where they see things going, and what they see as unique challenges and opportunities from their perspective.	Panelists: Dominique Hamerlijnck, Nikhil Jayswal & Jeff Ordway Facilitator: Joab Wako
12:00 pm -12:15 pm	Break	
12:15 pm - 1:15 pm	Roles in research: stories of what these look like and offer Speakers will share their experiences as patient partners in various roles, including what their contributions look like in different projects and initiatives. They will discuss the supports they have needed and how their involvement has changed over time.	Panelists: Josef De Guzman & Cheslie Johnson Facilitator: Marie Ennis-O'Connor

DAY 1 CONTINUED

Time (EDT)	Session	Speakers
1:15 pm - 1:30 pm	Break	
1:30 pm - 2:30 pm	Journeys of impact: the pathways of patient partners This session will explore how patient partners in research have found their way to their roles in research. We will discuss their journeys, including how they started, their experiences across different research spaces, and the lessons they have learned along the way. The session will feature patient partners with varying years of experience.	Panelists: Marquetta Frost & Joel Nelson Facilitator: Simon Stones
2:30 pm - 3:30 pm	Ask me anything: patient engagement in research in a changing world The current geopolitical landscape is rapidly evolving and affecting research. Participants will be invited to this safe space to listen or to share their thoughts and ask questions about how these changes are impacting patient partners and patient engagement in research.	Panelists: Kwanele Asante & Neil Bertelsen Facilitator: Greg Merritt

Day 1 Re-watch parties

There are core conference hours each day where content will be hosted live. New for this year, there will also be 're-watch parties' for some of the sessions outside of the core hours. These re-watch parties mean that content will be played back for different time-zones and you can join those with others to chat in real-time.

DAY 1 RE-WATCH PARTIES CONTINUED

DAY 2

Setting up for success and inspiring others

September 10

11:00 am – 3:30 pm (EDT)

Time (EDT)	Session	Speakers
11:00 am -11:10 am	Day 2 Welcome	Host: Kwanele Asante
11:10 am -12:00 pm	Laying the groundwork: Setting up for success in patient partnership Learn how others have set themselves up for success on a research team that includes patient partners, not matter their experiences or the role they play. This session will focus on good aspects of co-design and ensuring patient partners are equipped to fulfill their roles. It will include people who identify as patient partners as well as a person who facilitates patient engagement in research.	Panelists: Maureen Bult-Mulder & Zahra Sherwani Facilitator: Maalvika Bhuvansunder
12:00 pm -12:15 pm	Break	
12:15 pm - 1:15 pm	Owning your lived experience: patient partner as part of your identity Explore owning your lived experience as one part of your identity. The session will explore the duality of being both a patient and using that experience and knowledge in your professional role. Panelists will also discuss the ethical, moral, and identity challenges, and the potential implications of being transparent about their patient part of their identity in a professional role.	Panelists: Maalvika Bhuvansunder, Rita Schriemer & Logan Wong Facilitator: Edith Mukantwari

DAY 2 CONTINUED

Time (EDT)	Session	Speakers
1:15 pm - 1:30 pm	Break	
1:30 pm - 2:30 pm	Stronger together: building capacity on research teams An inclusive session aimed at supporting patient engagement research teams. Learn about resources that assist teams in building capacity together, including those related to engaging diverse team members.	Panelists: Rachel Giles & BC Pomeroy Facilitator: Knoll Larkin
2:30 pm - 3:30 pm	Ask Me Anything: About research or about how I engage patients in my research An open space for panelists, who are researchers, to answer questions about their research and work in patient partnership. Note the session will not be recorded.	Panelists: Manoj Lalu & Michelle Phoenix Facilitator: Anna Samson

Day 2 Re-watch parties

There are core conference hours each day where content will be hosted live. New for this year, there will also be 're-watch parties' for some of the sessions outside of the core hours. Time (EDT)	Session	Speakers
8:00 pm - 8:10 pm	Day 3 Welcome	Host: Letisha Living
8:10 pm - 9:00 pm	At the cutting edge: innovations in patient engagement Discover innovative ways research teams are engaging patients as partners in different parts of the world. Learn from examples where patients are informing clinical trials space and where parents and families have identified research gaps and are moving towards filling them. Learn about these innovators' motivations, outcomes, and lessons learned along the way.	Panelists: Joanne Kershaw, Patrícia de Luca & Aline Marcadenti de Oliveira Facilitator: Agnes Nsofwa
9:00 pm - 9:15 pm	Break	
9:15 pm - 10:15 pm	Patients leading the way: research from within Learn how patients are changing the research system from within: leading research based on their community's priorities. Understand some of the challenges they've overcome doing research in this way such as funding, ethics approval, and other considerations. See how they have invited clinical and scientific experts on to their teams and flipped the script on typical research teams.	Panelists: Matthew Berryman & Penelope McMillan Facilitators: Allison FitzGerald & Paul Mendoza

DAY 3 CONTINUED

Time (EDT)	Session	Speakers
10:15 pm -10:30 pm	Break	
10:30 pm -11:30 pm	More than a paper: ways to share research Come away with examples of sharing research and information that extend beyond typical research papers. Learn more about how research results can get into the hands of those who need it most and what that looks like.	Panelists: Brian Beh, Joan Carlini & Ahlia Griffiths Facilitator: Marco Giovannoli
11:30 pm -12:30 am	You Can't Ask That: the Future of PE in Research Ask the panelists anything and share your ideas on the future of patient engagement in research and the aspirations surrounding it. This session will not be recorded.	Panelists: Matthew Jackman & Gillian Mason Facilitator: Janelle Bowden
